December 12, 2016

Dr. Si Chen
Department of Computer Science
West Chester University

Dear Dr. Chen,

We are pleased to inform you that, based upon the recommendations of the Research in Mathematics and the Sciences (RIMS) Award Review Committee and CSM Dean Jack Waber's review of your proposal, you have been awarded $6,743 for your project: "CrowdMap++: Reconstruction of Context-Rich Building Floorplan Via Mobile Crowdsourcing." We hope that this amount will help you continue your scholarly work here at West Chester University.

For information on procedures on disbursement of funds, please consult with the CSM Budget Manager Rebecca Grisillo at rgrisillo@wcupa.edu.

Please note that you are required to submit a final report on your project as soon as possible, but no later than three months after the grant period ends. You will not be eligible for another CSM grant until after you have turned in your final report.

We commend your efforts to seek excellence in your field, which enriches the intellectual life of the University and benefits the students, other faculty and staff. We wish you success in your current endeavor.

Sincerely,

Vishal Shah
Associate Dean for the College of the Sciences and Mathematics

cc: Rebecca Grisillo, Assistant Dean for the College of the Sciences and Mathematics
cc: James Fabrey, Chairperson for the Department of Computer Science
